At Captain Shreve High

Miss Sandra McCalla Principal

Captain Shreve, a school recognized for its outstanding contributions to education, was guided by an especially valuable principal - Miss Sandra McCalla. Involvement with students in academic affairs, extracurricular activities, and sports, reflected her concern for the total development of the Gator spirit. Not even a rain-soaked defeat in the state semi-final football game dampened the pride that Miss McCalla exhibited in

Administrative tasks for maintaining excellence behind-the-scenes demanded communication and organizational skills. Always an inspiration to the staff, Miss McCalla led a talented faculty to meet the varied demands of a diversified student body.

Assistant Principals

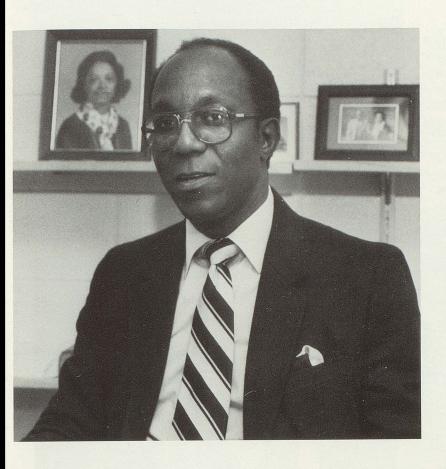

Captain Shreve has been very fortunate in the past years, in that we have had two of the finest men serving as vice-principals. Tommy Powell and Donald Horton, through leadership and experience, have combined efforts with the principal, the staff, and the students to make Captain Shreve an outstanding school.

Mr. Powell's primary concerns were with the academics of the school. His duties included the scheduling of classes, hiring of substitute teachers, selection of textbooks, and supervision of teachers. Mr. Horton, with a firm hand, maintained the discipline of the students. His other responsibilities were the enforcement of the parish attendance policy and the coordination of school activities.

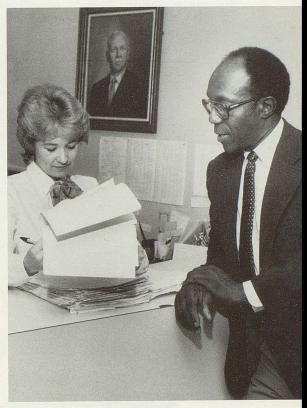

Mr. Powell and Mr. Horton played an active part in the Gator spirit by staying involved with the students. They were two assistants with whom Captain Shreve could not do without.

Counselors

A good guidance program was a very important part of our school, and our counselors proved to be great. They guided the students as they made important decisions about their choices of college, vocational careers and/or training, and personal problems.

Each counselor's office had an IBM Terminal connected to the Central Office computer — vast amounts of information about students' attendance, present schedule, history of courses already taken, prsent location, test scores were easily retrieved.

Above Right: Mrs. Horne returns to Shreve as a counselor. Above Left: Mrs. Powell checks a new student's record.

Office Workers

The word used to describe the office workers was outstanding. Sometimes the office was in complete confusion, but they always managed to smile and to keep a good attitude.

Because the data grew and grew, Mmes. Baker and Caldwell completed a 55-hour workshop at the Caddo Career Center on IBM Display Writer instructions. As a result, a vast amount of paper work was processed much faster.

School Nurse

Mrs. Ann Graham, the school nurse has been at Captain Shreve since 1980. The Library

This year, the Captain Shreve Library overflowed with numerous books, magazines, newspapers, and research materials. The students were grateful to have a library with such a wide variety of equipment including the microfiche and video cassette records. The library staff, which included the librarians, Mrs. Valore and Miss Ramsey, the secretary, Mrs. Davis, and various student workers maintained a quiet and relaxed atmosphere in which students could take maximum advantage of study time. We were very fortunate, indeed, to have had such an efficient library staff throughout the school year.

English

The English teachers at Captain Shreve took great pride in making English a challenging, versatile, and rewarding experience. In English I, students worked on the general overview of major authors. In English II, III, and IV, they studied World, American, and English authors

respectively.

At each of these levels, grammar, composition, and research skills were taught. In AP English, students learned to write with variety using diction and sentence patterns. Creative Writing and Novels were included in the English department. In Creative Writing, students wrote sketches, poetry, short stories, children's literature, scripts, and a number of other things in the semester course. Another semester course offered was Novels, in which students covered major philosophical and stylistic trends in World literature from the industrial revolution to the present.

Mrs. Johnson and her staff found that serving a student body as large as Shreve's was a gigantic task.

Some Gators experienced difficult times that they would rather erase from their high school memories. Whether it was a wreck in the parking lot, an embarrassing moment with a friend, or another bad grade on a test, the Gators never let their bad times get them down. Student Council

The Student Council was a vital part of Captain Shreve under the guidance of Mr. Jack Bogan. The group performed many tasks that attributed to the respectable reputation of our school. 1983-1984 was a good year for the Student Council, full of fun as well as important projects. Some of these projects included Homecoming, Sadie Hawkins, and other dances, favorites, class officers, Student Council officers, and Homecoming Court elections, and conducting a very successful canned food drive raising over 4,000 pounds for Sister Margaret. The

blood drive, the Mike Mark Award, issued parking permits and I.D.'s, served concessions at the basketball games, and having a Student Council Week were all tasks successfully completed by this group.

DO YOU KNOW WHERE YOU'RE GOING TO?

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?

Do you get what you're hoping for? When you look behind you there's no open door. What are you hoping for, do you know?

Once you were standing still in time, chasing the fantasies that filled your minds.

And you knew how I loved you but my spirit was free, laughing at the questions that you once asked of me.

Do you know where you're going to? Do you like the things that life is showing you? Where are you going to, do you know?

Now looking back at all we planned, we let so, many dreams just slip through our hands.
Why must we wait so long before we see how sad the answers to those questions can be?

Do you know?

1983-84 Who's Who Selected by Faculty

The faculty selected six outstanding seniors to represent Captain Shreve's 1983-84 Who's Who. Selections were made on the basis of their high achievement in academics and extracurricular activities. These seniors exemplified qualities of leadership and were well liked, both by teachers and fellow classmates. The six seniors chosen were Candy Capelan, Daryl Green, Blake Kaplan, Karen Law, Dalton Roberts, and Lenny Wells.

Candy Capelan was active in the Science Club, Latin Club, Computer Club, Mu Alpha Theta, National Honor Society, Z Club, Log Staff, Quill and Scroll, and Pep Squad. She served as Vice-President of Z Club and French Club, and was a representative of Captain Shreve at Louisiana Girls' State during her junior year. As a senior, she was editor of the Log and senior board member of Z Club. Dalton also received the Daughters of American Revolution Award and the Optimist Club Award, and was a National Merit Finalist.

Captain Shreve 6 West Monroe 7

The first game of the year proved to be our toughest. Neither team could execute a score in regular play, causing us to go into overtime. We scored on a 10-yard pass to Lifford Jackson. Kicking specialist Craig High missed a crucial extra point. West Monroe then scored on an 8-yard lob in the right corner of the end zone. The West Monroe kicker made the extra point giving them a 7-6 win over the Gators.

1. Running back Lifford Jackson (#40) makes some yardage. 2. Donnie Powell (#11) goes in for the tackle. 3. The coaches pause for the prayer. 4. The line is getting ready! 5. Gators charge for the field.

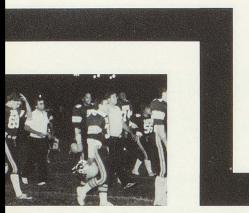

Captain Shreve 22 Southwood

Led by Duke Ehrhardt the Captain Shreve Gators began their march to state with their first win of the year over Southwood. Rolling up 303 yards rushing with touchdowns by Duke Ehrhardt and Lifford Jackson, the Gators went on to win 22-9. Our victory marked the 200th win for Coach Lee Hedges during the years of his outstanding career.

1. The Gators are ready. 2. Victory strikes once again! 3. Here comes our awesome defense! 4. Coach Hedges shows happiness as his 200th win approaches. 5. Our defense prepares for the kill!

A GREATER GATOR

Carl Costanza, elected by the student body, served as the 1983-1984 Al E. Gator. He attended cheerleading camp last summer at SMU where he received the Best Mascot award. He was the first Al E. Gator to attend summer camp with the cheerleaders. Carl's spirit continued to inspire Gators throughout the year. He has truly earned the title of "Greater Gator."

Pep Squad Works Hard . . .

The 1983-1984 Pep Squad, under the supervision of Miss Joyce Jordan, took on many duties during the past year. These included their half-time presentations, cheering at football and basketball games, making football spirit tags, and decorating team members' lockers. They also painted banners, sold candy, and spirit buttons. The hard work and dedication paid off and made it a successful year for the Pep Squad.

Be Choosy.

Selecting each student who attends Centenary College is one of the most important decisions we make.

Our students are achievers: they are motivated to succeed in challenging scholastic programs.

They are leaders, shaping and directing a wide variety of extra-curricular

They are open to new ideas and talk frequently and freely with faculty, staff, and peers.

They are fun-loving — they reach out, care, and take a personal interest. Helping select the right college for *your* student may be one of the most important decisions you will ever make.

Be choosy. We are.

In Memory of

Stephen Gaines (September 12, 1966-October 1, 1983)

If I could come back after my death as anything or anyone, I would probably return as an eagle. I would like to be an eagle because he is one of the greatest and prettiest birds in the country and I would like to be able to soar through the sky, watching other people. Also, eagles are protected by law and no one is supposed to shoot them.

Stephen Gaines

Lane Young (July 30, 1966-December 7, 1983)

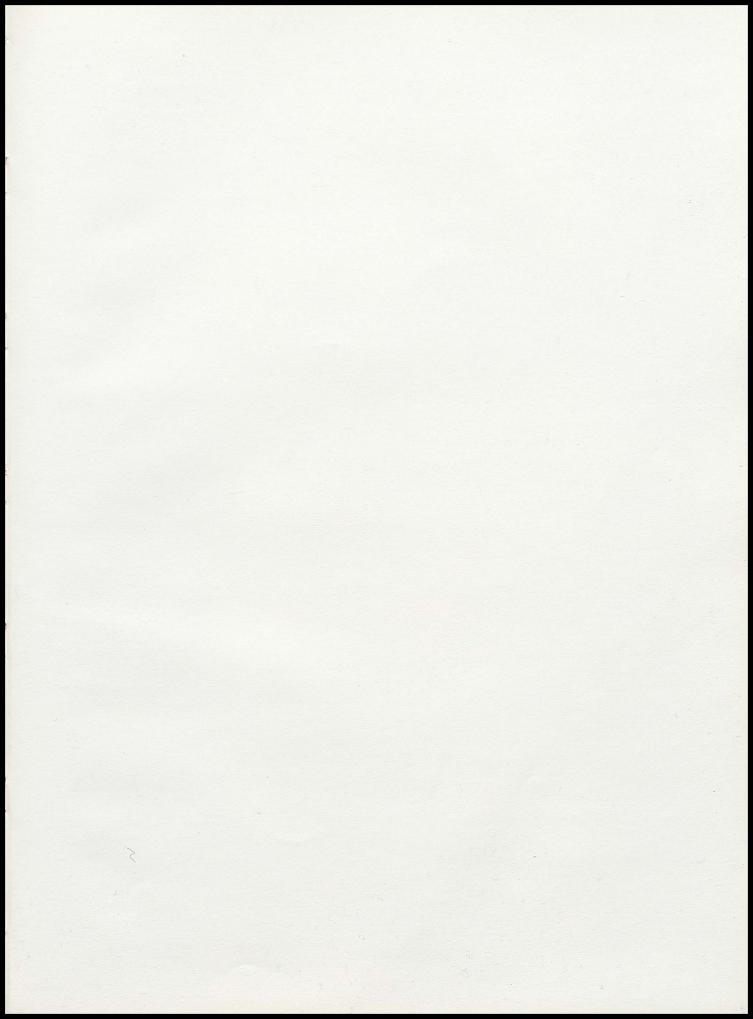

As I depart this earth, three things I will leave behind —

I leave my eyes — so that some man, woman, or child may see for the first time a beautiful meadow, a perfect rose, the love on a mother's face, or just the joy of seeing a sunrise for the first time.

I leave my kidneys — so that someone who has to live everyday with the pain of a machine will now be free.

And last, I leave my love — for my family and friends, and the special times and things that we've shared to be put away in their minds and hearts.

And by leaving these three things, I will live forever.
